Licence Number: CML2432

Newport City Footbridge Wash and Repaint

Marine Licence number: CML2432

Introductory note

This introductory note does not form a part of the marine licence

The main features of the marine licence are as follows:

The planned works include the cleaning and repainting of the Usk River footbridge structure and concrete abutments. The cleaning will be completed using clean, pressurised water, and paint will be applied by roller or brush to the existing painted areas. The works will require specialist rope access to the masts spanning over the river to the outer sides of the bridge deck, spanning from the east abutment to the west abutment. Painting will be confined to the masts of the bridge and the outriggers/cable supports at bridge deck level.

The status log of the marine licence sets out the marine licence history, including any subsequent marine licence variation(s)
