## Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

This is an operator-initiated variation to:

- Increase the permit boundary of the site
- Add a wood processing activity to Units 9 & 11
- Add further plastics recycling activities to Unit 11
- Add a tyre recycling activity to Unit 11
- Remove washing of wastes from Unit 10
- Increase the annual throughput of the site to 173,650 tonnes per annum

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number
