### 2. What action is required?

No action required.

### 3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

**At this time, we do not intend to take any further action.**

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

### 4. Details of our assessment

Alastair Krzyzosiak undertook a brief visual inspection of the treatment plant which appeared to be operational. I was unable to locate the precise point of discharge into the watercourse due to dense vegetation. However, there were no signs of pollution in the area and therefore no signs of pollution or non-compliance with the permit.

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.
