Dear Rebekah Booth,

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR Amalgamated Construction Ltd to perform Pwll Sea Wall Void
Repairs

LICENCE NUMBER: CML2442

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated **24 May 2024** for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **CML2442** and its conditions.

Advisory Note

The Crown Estate is affected by the proposed works and landowner's consent is required. Please contact The Crown Estate's Managing Agent for the area (Ellie Hitchings of Cooke and Arkwright on 02920 346345, Ellie.Hitchings@coark.com) regarding landowner's consent for the proposed activity.

The Carmarthen County Council have informed us that you will require proof of Public Liability Insurance, Risk Assessments and Site Management Plans. To arrange site access and issue the proof of the required documents, you will need to contact Neil Thomas (CCC Senior Outdoor Recreation Manager - NeilGThomas@carmarthenshire.gov.uk).

We have been informed by the Welsh Archaeological Trust of the location of a post-medieval fish-trap (PRN 34050, NGR SN4835 0051) and the presence of Neolithic submerged forest (PRN 31318) in the inter-tidal zone beyond the wall. These are unlikely to be impacted by the proposed work but may be vulnerable should vehicles access the wall from the seaward side. Although you have informed us that no vehicles are required for these works, please bear this in mind.

As the works will be taking place near a waterbody, please ensure you adopt the best practice information described in Guidance for Pollution Prevention - Works and maintenance in or near water (GPP 5).

Marine Licence, **CML2442**, constitutes a statutory consent; therefore, the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **CML2442** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **CML2442** is solely granted for the work to be undertaken at **Pwll Sea Wall**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
