Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

As part of the review of the best available techniques (BAT) conclusions and BAT Associated Emissions Limits (AEL), required by the Industrial Emissions Directive 2010/75/EU), the standard rules permit SR2018 No10 has been superseded by SR2023 No01 that incorporates the changes required. SR2018 No10 has been revoked and is no longer be available.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
