

**ENVIRONMENT AGENCY - NATIONAL PERMITTING SERVICE REQUEST TO
MODIFY A DISCHARGE CONSENT OR
VARY A GROUNDWATER PERMIT (AUTHORISATION)**

FOR INTERNAL USE ONLY

This form is to be used by staff requesting an Environment Agency instigated modification of a Discharge Consent or variation of a Groundwater Permit (Authorisation) by the National Permitting Service.

The form must be sent to Grant Wilson at PSC on *Grant.wilson@environment-agency.gov.uk*

The email should be titled “**GW Discharge Consent – URGENT**” or “**GW Discharge Consent - TO BANK**” or “**GW Permit (Authorisation) - URGENT**” or “**GW Permit (Authorisation) – TO BANK**” as appropriate

The email should have a scanned copy of the current consent or authorisation and the associated map or plan attached.

GW Permit (Authorisation)/Consent number – GWN 3125	Operator and site address (including Grid ref. if possible) Mr Lewis Jones Ynys Hir Farm Eglwysfach Machynlleth Powys SY20 8TA SN 68023 95746(disposal site)
Is the request to change driven by an urgent (pre April 2010) need to protect the environment from harm that is actually or potentially occurring now?	NO Delete as appropriate
Date request received at National Permit Centre	27/06/2011

For further information or queries please contact John Sweeney, National Permitting Service, Nottingham Centre Manager.

<p>Justification of need for modification/ variation and the changes required. If this is just to include the new Groundwater Daughter Directive conditions then simply state – “update permit conditions only to reflect WFD/GDDD requirements”. Farmer wishes to revoke permit. Forms sent to him 23/06/2011</p>	
<p>If the date from which the permit change is expected to take effect is sooner than 1 December 2012 – please indicate the date</p>	
<p>Are there any sensitivity issues with the application? i.e. hostile site, habitats issues etc</p>	
<p>Please supply details of interested parties i.e. complainants</p>	
<p>Officer/contact requesting permit change: Karen Hamilton</p>	
<p>Contact tel. numbers: 01248 484051</p>	

For further information or queries please contact John Sweeney, National Permitting Service, Nottingham Centre Manager.
