Dear Mrs Blyth,

We need more information about your application

Application reference: PAN-025793
Operator: Abergelli Power Limited
Facility: Abergelli OCGT Plant

Thank you for your application received on 22nd May 2024.

I need to ask you for some more information before I can do any more work on it.

Application Form A, Question 5a

You have stated that Abergelly Power Limited (Companies House number 08190497) is the registered company applying for the surrender. However, the permit holder is Drax Power Limited (Companies House number 04883589).

Please could you review this part of the application form. If the current Operator of the site is Abergelly Power Limited, please ask us for further advice as you may need to transfer your permit before applying for surrender.

Application Form Part E2, Question 2 – About the application

We note that you have also stated in the application (Application Form E2, question 2c) that the application is for a basic surrender. Please be aware that a basic surrender is not applicable to your permit, refer to [Regulatory Guidance Note 9: Surrender](#) for more information.

Application Form Part E2, Question 4 - Site Condition Report (SCR)

Document reference 'APL Surrender of EP' does not satisfy the requirement for a Site Condition Report. As per question 4a, please can you provide a surrender SCR. See our [Horizontal Guidance Notes 5: Site Condition Report](#) for further guidance. For ease, I have attached your original site condition report which includes sections to be completed at permit surrender.

Application Form Part F1 - Declaration

With regards to Section 7 of application form Part F1, a relevant person has not made the declaration. Relevant person in the case of a company is a director, manager, company secretary or any similar officer or employee listed on current appointments in Companies House.

Please can the declaration be resigned by a relevant person, or a letter of authorisation be provided from a relevant person, giving permission for Mr David Ball to sign on their behalf.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you email or write to us please quote the application reference PAN-025793 on any correspondence and send it to the relevant address below.

When we receive the missing items we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

If you have any questions please phone me on 0300 065 4051 or email emma.smith@naturalresourceswales.gov.uk.

Yours sincerely
