Dear Emma,

Many thanks for the figures. Happy to confirm that there are no issues/comments with the WSI from our perspective. Thanks again for making a thorough consideration of the marine historic environment at this stage of the project.

Dear Julian

Please find attached the WSI for the GI works. The figure is being finalised and I will send it on tomorrow morning.

We would be extremely grateful if you are able to review this at your earliest opportunity.

I have updated the NRW Marine Licensing Team and copied this to them as discussed.

Please do get in touch if you have any queries.

Many thanks

Emma
