Ref: Permit BU2110IS – Quarterly Reporting of Monitoring Data for Q3 2019

Dear Mr. Kemp,

Please find enclosed the third quarter emission monitoring reports (July 2019-Sept 2019) in accordance with our Environmental Permit. For this reporting round I have excluded the monthly CO half hourly control charts and included the extractive result as per CAR_NRW0035674 which agrees to 6 monthly CO extractive sampling (CO process monitoring continued on a continuous basis for process control).

If you have any queries regarding the reports, please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in black ink that reads "P S Lloyd".
