Tell us about the site

If you have more than one facility on the site, you need to give us the national grid reference for each facility.

The site means all the land the facility occupies.

Grid Reference Finder (opens in a new tab)

Site name	South Dock
Address	East Way Road, Newport Docks, Newport
Postcode	NP20 2WE
National grid reference for the site (12 digits)	ST 31695 84331
National grid reference for the regulated facility, if different from above	-

Upload your site plan

Check that your site plan is what we need (opens in a new tab).

We will treat the site boundary as the boundary of the activities unless there is a defined area within this on the site plan which clearly shows where the permitted activities are to take place. This may be important to you if your proposed activities only occupy a small portion of a larger site.

- File: 23-1066_C003B Permit Plan.pdf - [Download](#)

Give us a site condition report

Check what you need to include in your site condition report (horizontal guidance H5) (opens in a new tab).

Upload your site condition report.

- File: Atlas Newport Docks SCR Oct 2023-min.pdf - [Download](#)

Give us a non-technical summary of your application

Check what needs to be in your non-technical summary (opens in a new tab).

- File: Atlas Newport Docks NTS Feb 2024 final.pdf - [Download](#)

Tell us about the activities you want to do

Waste activity 1

Waste activity name	Metal storage
Describe the waste activity	Metal storage
Disposal and recovery codes	R13
Hazardous waste treatment capacity (if it applies)	0
Non-hazardous waste treatment capacity	0

Tell us about the total storage capacity

By 'total storage capacity', we mean the maximum amount of waste, in tonnes, you are able to store on the site at any one time

Total storage capacity of non-hazardous waste	200000
Total storage capacity of hazardous waste	0
Total annual throughput in tonnes per year	1000000

Tell us about the type of waste you will accept on site

Give the List of Wastes catalogue code (opens in a new tab) and description e.g. 06 01 02, Hydrochloric acid

Your document must include a description of any wastes ending in 99.

- File: Atlas Newport Docks Waste Code Oct 2023.pdf - [Download](#)

Do you plan to treat batteries?

Select

No

Have you applied to deposit waste for recovery?

Select

No

Give us an environmental risk assessment

Provide an assessment of the risks your proposed regulated facility poses to the environment. The risk assessment must use H1 or an equivalent method (opens in a new tab).

- File: Atlas Newport Docks RA.xlsx - [Download](#)

Do you need to tell us about point source emissions to air?

Select

No

Do you need to tell us about point source emissions to water (not sewers)?

Select

No

Do you need to tell us about point source emissions to sewers, effluent treatment plants or other transfers off-site?

Select
No

Point source emissions to sewers, effluent treatment plants or other transfers off-site

Point source emissions to sewers, effluent treatment plants or other transfers off-site	
Emission point reference and location 1	1
Source	shg
Parameter	gsd
Amount	809
Unit	k

Do you need to tell us about point source emissions to land?

Select
No

Tell us about your technical or other relevant standard

List the relevant technical guidance notes (opens in a new tab) or other relevant standard you are planning to use.
Your documents should summarise the main measures you use to control the issues identified in the H1 assessment.
How to comply with your environmental permit

Did the technical guidance note or H1 assessment shown that emission of substances not controlled by emission limits are an important issue?

Select

No

If you think that fugitive emissions are unlikely to be a problem

If you think that fugitive emissions are unlikely to be a problem, briefly explain why

Only activity is storage with no treatment/processing with bespoke drainage system for site waters and situated wholly within industrial/commercial dock remote from residential properties.

Did the technical guidance note or H1 assessment show that odours are an important issue?

Select

No

If you think that odour is unlikely to be a problem

If you think that odour is unlikely to be a problem from your activities, briefly describe why

Waste types do not give rise to odours and situated wholly within industrial/commercial dock remote from residential properties.

Did your technical guidance note or H1 assessment show that noise or vibration are important issues?

Select

No

If you think that noise is unlikely to be a problem

If you think that noise is unlikely to be a problem from your activities, briefly describe why

Only activity is storage with no treatment/processing and situated wholly within industrial/commercial dock remote from residential properties.

Did our fire prevention guidance or your H1 assessment show that fire risk is an important issue?

Select
No

If you think that fire risk is unlikely to be a problem

If you think that fire risk is unlikely to be a problem from your activities, briefly describe why
Majority of waste types are non combustible and FPMP prepared for site.

Give information for clinical waste

Does your activity involve clinical waste?
No

Does your activity involve hazardous waste recovery and disposal?

Select
No

Does your activity involve recovery to land for agricultural benefit of compost like outputs from treatment of municipal mixed wastes?

Select
No

Does your activity involve inert landfill?

Select
No

Tell us if the waste operation/s could involve releasing any substance into water

Could the waste operation or installation involve releasing any substance into any of the following?

None

Tell us about any relevant offences

You must tell us if a relevant person has been convicted of a relevant offence. A relevant person is you, or anyone connected to the permit holder.

Find out about relevant convictions for waste and installations environmental permits - GOV.UK (opens in a new tab)

Find out about relevant people in Defra Core Guidance on Environmental Permitting – GOV.UK (opens in a new tab)

Has a relevant person been convicted of a relevant offence?

No

Tell us about your technical ability

Do you already hold the relevant, formal qualifications to manage your facility?

Yes

If you have a relevant qualification, upload all original and continuing competence evidence

If you've registered with a scheme but not yet completed it, upload evidence that you've registered

- File: A McCartney WAMITAB Competent Person (Originals).pdf.pdf - [Download](#)
- File: A McCartney WAMITAB Competent Person.pdf - [Download](#)

Tell us about insolvency or bankruptcy

If you or any relevant person have current or past bankruptcy or insolvency proceedings against you, you'll need to tell us about: any insolvency or bankruptcy proceedings against you or any relevant person. the required set-up costs (including infrastructure), maintenance and clean up costs for the proposed facility against which a credit check may be assessed We may also want to contact a credit reference agency to verify your financial standing. You are giving your consent to this check by completing and submitting the application form.

Do you or any relevant person have current or past bankruptcy or insolvency proceedings against you?

No

Tell us about your management system

What management system will you provide for your regulated facility?

Own management system

Upload your management system

- File: ATLAS Newport Docks EMS with plan.pdf - [Download](#)
- File: Atlas Newport FPMP report and Appendices Combined with plan.pdf - [Download](#)

Confirm that your management system meet the conditions set out in the guidance.

Yes

How we collect your personal data

I have read and understood this information

Yes

Freedom of Information
