Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

**At this time, we do not intend to take any further action.**

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

### 4. Details of our assessment

A site visit was planned in, in an effort to see the site at peak occupancy. However once there it was seen that there only a handful of tents on site, although it was only the beginning of September.

The soakaway area was inspected and no problems seen. A sample of the effluent from the reedbed prior to draining to the soakaway was also seen. This was seen to be of excellent quality.

Thank you for your kind co-operation with the visit and for the information provided after the visit regarding the sewage treatment facilities.
