Schedule

The Technical Competence qualification you hold is Level 4 in Waste Management Operations – Managing Treatment Hazardous Waste. Unfortunately, For the permit you have applied for: Standard rules permit for mobile plant (SR2010No4), You must hold or be registered on to undertake the relevant qualification which is: Level 4 Medium Risk Operator Competence for Non-Hazardous Sludge and Land Spreading. WAMITAB Code: MROC10a, MROC10b.

Alternatively, you can give us details of any relevant people who already hold a COTC issued by WAMITAB if it is relevant to your waste operation.

Guidance about operator competence (Regulatory Guidance Series EPR 5) can be downloaded from our guidance [webpages](#).

Action: Please provide proof of enrolment upon the appropriate course for the permit applied for or you can employ a person with the correct qualification to act as the technically competent person for the site until you been able to enrol or gain the qualification yourself. If you chose to employ someone else to act in this capacity, please provide copies of their original WAMITAB certificate and all continuing competency certificates. If you chose to enrol upon the course yourself, you will be able to us the grace period afforded to new applicants – four weeks to obtain the low risk qualification and twelve months to gain the full qualification.
