The information you provide will be used by Natural Resources Wales to enable it to fulfil its regulatory and waste management planning responsibilities

8 The Data Protection Act 1998

Natural Resources Wales will process the information you provide so that we can deal with your application, make sure you keep to the conditions of the license, permit or registration, process renewals and keep the public registers up to date.

• offer you documents or services relating to the information you provide

• consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues

• carry out research and development work on environmental issues

• provide information from the public register to anyone who asks

• prevent anyone from breaking environmental law, even if you are a company or organisation, if they have been broken, and take any action that is needed

• assess where our staff and services are working, and to improve our service, and

• respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows)

We may pass the information on to our agents or representatives to do those things for us
