Dear Mrs Jones

Issue of administrative variation

Permit reference: PAN-027177

Operator: Unimetals Recycling (UK) Limited

Facility: Newport Metal Site, South Dock, Alexandra Dock, Newport, Gwent, NP20 2WE

I enclose a notice showing the changes to your permit. Keep this in a safe place with your other permit records.

This variation acknowledges that you have changed company name. The permit has not been transferred to a new operator and remains as the same legal entity. Where any existing documentation from Natural Resources Wales (such as the permit, any variation notices or other regulatory notices and communications) still refers to Sims Group UK Limited until such time as it is updated, it should be read as if it states Unimetals Recycling (UK) Limited, as all responsibilities for the regulated facility remain with you as the operator.

If you're not already familiar with our document 'How to comply with your environmental permit' please look at it, as this will help you understand how to meet the conditions of the permit. You can find this at <http://naturalresources.wales/media/2110/how-to-comply-with-your-environmental-permit.pdf>

If you don't have internet access, or have any questions about this permit please phone our Customer Services Centre on **0300 065 3000**. They will put you in touch with a local area officer.

Yours sincerely

**Sherreen Thomas
Permit Support Officer**
