Variation application number
BP0054801/V001

Permit number
BP0054801

Overton Sewage Treatment Works

Permit number BP0054801

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation is to correct the grid reference of the discharge point following an application from the operator.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit		
Description	Date	Comments
Variation application BP0054801/V001	15/04/2011	Operator applied for variation. NGR change.
Variation determined	25/05/2011	

End of introductory note
