Hello Chris,

Good to speak with you earlier.

Just to confirm what was discussed during our telephone call. It was suggested that any loading and unloading be done at the car park slipway (public slipway), You will then be able to moor the boat alongside our Quay wall under the instruction of our Harbour Master, Anthony, who I have copied into this email. The Car Park is managed by Pembrokeshire Coast National Park Authority so i would suggest you contact them to inform them of your intentions.

You will be charged £25 per day for the space alongside the Quay Wall.

Please keep us posted with any dates etc and come back to us if we can be of any further assistance.

Kind Regards

Nicola Evans

Hello,

I sent an email last week and have also left a message with Anthony Evans but haven't heard anything back yet.

Is there any information following my request please?

I am in the area Wed or Thurs this week so I am happy to meet while I am in the area.

Thank you.

Subject: Solva quay charges 2025

Hello,

I am after your help and advice please, we have some works to complete in January on Newgale beach and was looking to use Solva quay to load a beach landing vessel to launch from and if the works didn't complete in one day then mooring costs and availability for overnight mooring alongside the quay.

I've attached a document showing the type of vessel, at the moment it will be this vessel.

Dates are to be confirmed over the coming days as we are looking at tide times for January

and need to maximise the daylight hours for the works on the beach.

Feel free to call me on the number in my email signature, I look forward to your response.

Kind regards.
