Dear Sir

Authorised signatories for matters concerning environmental permissions

I understand that in respect of environmental permissions (licences, consents and permits) that NRW require application forms to be signed by relevant persons as listed at Companies House. Otherwise NRW require a letter of authorisation for other employees signed by a relevant person. Due to staffing changes in recent years can I please update the list of existing authorised signatories to include the following members of staff from our water, energy and waste businesses:

- Andrew Dixon – Head of Energy Efficiency
- Redmond Jenkins – Modelling and Permitting Manager
- Kate Williams – Environmental Permitting Officer
- James Camis – Environmental Permitting Specialist
- Mathew Griffiths – Environmental Consenting Specialist
- Laura Davis – Environmental Permitting Specialist
- Gemma Andrews – Environmental Permitting Officer
- Richard Deen - Energy Operations Manager

I hope this is all in order.

Yours faithfully

Nicola Foreman
