Phone number	07825813199
Your relationship to the applicant, for example 'consultant'	Applicant

Tell us about the applicant

Is the applicant:
a company

Is the company registered with Companies House?

Select

Yes

Tell us the registered company details

The address must be the one recorded with Companies House (opens in a new tab)

Company name	Impala Terminals Infrastructure UK Ltd
Company registration number	09156625
Date of registration	25/07/2025
Address line 1	Impala Terminals Infrastructure UK Ltd
Address line 2 (optional)	Westerleigh Terminal, Oakleigh Green Farm Lane
Town or city	Westerleigh
County (optional)	Bristol
Postcode	BS37 8QE
Email	sarah.jones@impalaterminals.com
Phone number	07825813199

Have you had pre-application advice from us about this work?

Select

No

Tell us about the work

What is the project title?

Impala Terminals Infrastructure UK Ltd's Jetty Maintenance

Briefly describe what you want to do

Maintenance of Impala Terminals Infrastructure UK Ltd's jetty located off Gelliswick Bay within the Milford Haven waterway. Maintenance works will consist of the removal of discrete patches of surface corrosion (surface preparation) from steel structures located above MHWS and their subsequent repainting. Surface preparation will be carried out by hand and/ or grit blasting from a floating barge or suspended scaffold. Painting will be carried out by hand from a floating barge or suspended scaffold.

When do you want the licence to start?

Band 1 licences are typically issued for one year, subject to consultation.

Make sure the date you provide is on or before the day you want to start carrying out the work.

Licence start date 31/03/2025

Tell us about your coordinates

We need to understand exactly where the work will happen through the coordinates you give us.

If you need to give us more than 10 coordinates, you must upload them in an Excel spreadsheet.

You can also upload a Shapefile if you have one.

[Check how to give us coordinates \(opens in a new tab\).](#)

Do you want to tell us about more than 10 coordinates?

No

Give your coordinates

Make sure:

the coordinates are in this format: Lat 52.1234 Long -4.1234 your coordinates are correct and help define the extent of the works

	Latitude	Longitude
1.	51.7072	-5.0630
2.	51.7014	-5.0539
3.	51.7006	-5.0552
4.	51.6997	5.0607
5.	51.6994	-5.0636
6.	-	-
7.	-	-
8.	-	-
9.	-	-

Upload your map

Your map must be scaled so we can see a detailed view of the area where you will be carrying out your activity.

Include a north arrow so that we can correctly identify the orientation of the map.

Check how to create a map (opens in a new tab)

- File: Plate 3 - Ordnance Survey Map.pdf - [Download](#)

Tell us if you need to upload a method statement

You will need to upload a method statement if you are doing any of these things:

Working in or near a sensitive site Drilling boreholes or vibrocores Replacing piles Beach management Are you doing one or more of these things?

Yes

Upload your method statement

Check what you need to include in your method statement (opens in a new tab).

If your method statement does not cover all the necessary points, we will not be able to approve your licence application.

What materials will you deposit as part of your work?

Select all that apply

Other (please provide a description of materials):

Due to the complexities of containing grit blasting works over water, a limited quantity of iron oxide (rust) and inert synthetic mineral grit may be deposited in the immediate vicinity of the jetty. Mitigation measures will be employed to minimise any deposit.

How will you deliver materials to the site?

Select

Vehicle and vessel

Tell us about the routes you will use to deliver materials to the site

Upload a chart of the proposed vessel delivery route from the originating port

- File: Impala Terminals Infrastructure UK Ltd Band 1 Method Statement 2025.docx - [Download](#)

We need to know how you will transport material from the site car park or compound to the location of the work.

Describe the vehicle delivery route

Access/egress for scaffold, materials and equipment will be by road via Impala Terminals Infrastructure UK Ltd.'s jetty which is located off South Hook Road, Gelliswick. Access to the jetty is controlled by 24/7 security. The frequency of vehicle movements is not predicted to be significantly greater than during normal operation.

Where a floating barge is to be used it will be moored in Milford Docks overnight and travel to/from Impala Terminals Infrastructure UK Ltd.'s jetty once each working day.

Which materials will you remove as part of your work?

Tick all that apply

None

Upload your correspondence with the Maritime and Coastguard Agency

We need confirmation from the Maritime and Coastguard Agency that your work will not pose a risk to others

- File: MCGA approval 2025.PNG - [Download](#)

Upload your correspondence with Trinity House

We need confirmation from Trinity House that your work will not pose a risk to others

- File: TH approval 2025.PNG - [Download](#)

Did you consult with archaeological consultees?

If you are doing any kind of removal (such as boreholes or sediment sampling) or beach management, you must consult with the Royal Commission on the Ancient and Historical Monuments of Wales (RCAHMW) and your local archaeological trust (opens in a new tab).

Yes

Upload your correspondence with the Royal Commission on the Ancient and Historical Monuments of Wales

We need to see that the RCAHMW are satisfied that your work will not have a negative impact on any archaeological features

- File: DAT approval 2025.PNG - [Download](#)

Upload your correspondence with your local archaeological trust

We need to see that the local archaeological trust is satisfied that your work will not have a negative impact on any archaeological features

- File: DAT approval 2025.PNG - [Download](#)

Do you want to upload correspondence with other consultees?

Check the list of possible consultees (opens in a new tab)

Select

No

Does the applicant have statutory powers to consent any aspect of the work?

Such as coast protection authority, dredging powers, statutory undertakers

No

Do you want to claim public register confidentiality?

We normally put all the information in your application on a public register, unless we approve of your reasons for withholding all or part of it

No

Paying for your application
