Dear Richard Unsworth

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR **Project Seagrass to perform Seagrass planting in Holyhead Bay, Holyhead**

LICENCE NUMBER: DEML2490

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, considered complete on 06 January 2025 for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **DEML2490** and its conditions.

Advisory Note

Marine Licence, **DEML2490**, constitutes a statutory consent; therefore, the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **DEML2490** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

A series of comments and advisories were received and listed below:

- Welsh Government Marine and Fisheries Division/ Marine Enforcement Officers remind you that depending on chosen planting locations, due consideration should be given to any fishing activities taking place at the time of the works.
- The Maritime and Coastguard Agency indicates that the site is within the Harbour Authorities limit and recommend that they are notified of the commencement of the works on top of the required notifications included in conditions 3.1 to the marine licence.
- The Royal Commission on the Ancient and Historical Monuments of Wales (RCAHMS) want to thank you for applying the experience from previous licence determination to this licence and are content with the proposed approach.

RCAHMW look forward to correspondence following any survey work in advance of planting. RCAHMW also welcome any information the project holds on Historic Asset No.1 (NPRN 506402) as the existing information on this wreck is highly limited.

- The Royal Yachting Association as well as the Trinity House (TH) requests to be involved in any discussions regarding the detailed planting locations. TH stresses the importance of involving all relevant local stakeholders on these discussions.

Marine Licence, **DEML2490** is solely granted for the work to be undertaken at **Holyhead Bay**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
