Dear Sir

Authorised signatories for matters concerning environmental permissions

I understand that in respect of environmental permissions (licences, consents and permits) that NRW require application forms to be signed by relevant persons as listed at Companies House. Otherwise NRW require a letter of authorisation for other employees signed by a relevant person. Due to staffing changes in recent years can I please update the list of existing authorised signatories to include the following members of staff from our water, energy and waste businesses:

- Andrew Dixon – Head of Energy Efficiency
- Richard Deen - Energy Operations Manager
- Mark Rychnovsky – Environmental Regulation Manager
- Mathew Griffiths – NEP Account Manager
- Claire Grainger – Environmental Permitting Team Leader
- Kate Williams – Environmental Permitting Officer
- Rhiannon Stevens – Environmental Permitting Officer
- James Camis – Environmental Permitting Specialist

I hope this is all in order.

Yours faithfully

Nicola Foreman
