Hi Llinos,

I am coming to the end of the online form for the NRW permit. The form requires me to have proof that you are happy for us to sign it on your behalf as per the below statement.

“A relevant person should make the declaration. You must be a relevant person or have the authority of a relevant person to sign this application on their behalf.”

Can you confirm that you are happy for us to complete the form on your behalf please. This email will be saved and uploaded into the form as proof. Thanks

Regards,

Ben Edwards
