Dear Sir,

Plans (Specification of Materials) for the Construction of the Railway Station at [Redacted]

With reference to your application of the 11th inst. for the issue of this authority, in pursuance of their powers, the Board are pleased to consent to the following being used as the basis of the design and the making of any alterations of the same, subject to the conditions hereunder in accordance with the provisions of the Act.

- S.O. No. 1. After construction on the site of the station, the system of track layout shall be as shown in the plan attached to this order, and shall be in accordance with the provisions of the Act.
- S.O. No. 2. After construction on the site of the station, the system of railway bridge and viaduct shall be as shown in the plan attached to this order, and shall be in accordance with the provisions of the Act.
- S.O. No. 3. The main street structure shall be as shown in the plan attached to this order, and shall be in accordance with the provisions of the Act.

Subject to the conditions hereinafter set forth, the Board are pleased to grant the authority of the Act in relation to the construction of the railway station at [Redacted] in accordance with the provisions of the Act, and to the issue of the certificate of the Board in relation to the construction of the railway station at [Redacted] in accordance with the provisions of the Act.

The terms of this consent will not, without the consent of the Board, be varied or amended, and the Board will not be bound to give any further consent to the construction of the railway station at [Redacted] in accordance with the provisions of the Act.

Yours faithfully,
[Signature]
