Dear Ms Liz Weedon,

LICENCE FOR **Bluestone Resorts Limited to reconstruct the collapsed wall along the section of riverbank immediately downstream of Blackpool Mill, Eastern Cleddau - Pembrokeshire**

LICENCE NUMBER: **CML2492**

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, which was duly made complete on 28 January 2025, for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **CML2492** and its conditions.

Advisory Note

Marine Licence, **CML2492**, constitutes a statutory consent; therefore, the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

Condition 3.24 requires a record of the surviving section of the wall to provide an archeological record of the existing structure. We would advise that you liaise with the Royal Commission on the Ancient and Historical Monuments of Wales regarding this record.

Condition 3.25 requires the submission of a Construction Environment Management Plan (CEMP) for approval by the Licensing Authority to mitigate impacts to features of designated sites during construction.

You are urged to read the conditions of Marine Licence **CML2492** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **CML2492** is solely granted for the work to be undertaken **along the section of riverbank immediately downstream of Blackpool Mill**; however, it does not

absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
