

Apply for a band 1 marine licence

Is the estimated cost of your marine works project over £1 million?

Select
No

Will the work last longer than 12 months?

Select
No

Who should we contact about this application?

This form must be completed by someone who has authority to act on behalf of the applicant.	
We will contact you if we have any questions about this application.	
First name	Alistair David
Last name	Billington
Address line 1	10 Ebury Bridge Road
Address line 2 (optional)	-
Town or city	London
County (optional)	-
Postcode	SW1W 8PZ
Email	alistair.billington@external.eni.com
Phone number	07554008227
Your relationship to the applicant, for example 'consultant'	Applicant - Eni HSE Department

Tell us about the applicant

Is the applicant:
a company

Is the company registered with Companies House?

Select

Yes

Tell us the registered company details

The address must be the one recorded with Companies House (opens in a new tab)

Company name	Liverpool Bay CCS Limited
Company registration number	13194018
Date of registration	10 February 2021
Address line 1	10 Ebury Bridge Road
Address line 2 (optional)	-
Town or city	London
County (optional)	-
Postcode	SW1W 8PZ
Email	alistair.billington@external.eni.com
Phone number	07554008227

Have you had pre-application advice from us about this work?

Select

No

Tell us about the work

What is the project title?

Liverpool Bay CCS Project

Briefly describe what you want to do

Geotechnical and Geophysical investigation on Talacre Beach comprising:
1 borehole on Talacre Beach at location of HDD exit pit to approx. 30m depth.
Geophysical survey on Talacre Beach at location of HDD exit pit.

Geotechnical testing of the soils including (dependent on what is recovered):

- o PSD.
- o Atterberg.
- o Shear box.
- o Triaxial.
- o Chemical testing.

Geophysics including:

- o Electrical Resistivity.
- o Electromagnetism.

When do you want the licence to start?

Band 1 licences are typically issued for one year, subject to consultation.

Make sure the date you provide is on or before the day you want to start carrying out the work.

Licence start date 02/06/2025

Tell us about your coordinates

We need to understand exactly where the work will happen through the coordinates you give us.

If you need to give us more than 10 coordinates, you must upload them in an Excel spreadsheet.

You can also upload a Shapefile if you have one.

Check how to give us coordinates (opens in a new tab).

Do you want to tell us about more than 10 coordinates?

No

Give your coordinates

Make sure:

the coordinates are in this format: Lat 52.1234 Long -4.1234 your coordinates are correct and help define the extent of the works

	Latitude	Longitude
1.	53.3550709	-3.3362040
2.	-	-
3.	53.3556030	-3.3376306
4.	53.3550804	-3.3360448
5.	53.3566240	-3.3373228
6.	53.3566801	-3.3370369
7.	-	-
8.	-	-
9.	-	-

Upload your map

Your map must be scaled so we can see a detailed view of the area where you will be carrying out your activity.

Include a north arrow so that we can correctly identify the orientation of the map.

Check how to create a map (opens in a new tab)

- File: LBCCS Limited-Location of Geotech and Geophys Surveys-Aerial Image.pdf - [Download](#)

Tell us if you need to upload a method statement

You will need to upload a method statement if you are doing any of these things:

Working in or near a sensitive site Drilling boreholes or vibrocores Replacing piles Beach management Are you doing one or more of these things?

Yes

Upload your method statement

Check what you need to include in your method statement (opens in a new tab).

If your method statement does not cover all the necessary points, we will not be able to approve your licence application.

- File: LBCCS Limited-Point of Ayr Geotechnical and Geophysical Survey Method Statements.pdf - [Download](#)

What materials will you deposit as part of your work?

Select all that apply

None

How will you deliver materials to the site?

Select

Vehicle

Tell us about the route you will use to deliver materials to the site

We need to know how you will transport material from the site car park or compound to the location of the work.

Describe the delivery route

For the borehole, and geophysical surveys on Talacre Beach, vehicles and equipment will be delivered to site via Station Road, and access Talacre Beach from Talacre Beach car park. From Talacre Beach car park vehicles will then travel along the beach at approximately the MHWS mark to the borehole, and geophysical survey locations shown in the accompanying maps.

Which materials will you remove as part of your work?

Tick all that apply

Sand

Gravel

Other (please provide a description of materials):
Borehole samples, comprising sand and gravel, for laboratory testing.

Upload your correspondence with the Maritime and Coastguard Agency

We need confirmation from the Maritime and Coastguard Agency that your work will not pose a risk to others

- File: Introductory correspondence with MCA.pdf - [Download](#)

Upload your correspondence with Trinity House

We need confirmation from Trinity House that your work will not pose a risk to others

- File: Introductory correspondence with Trinity House.pdf - [Download](#)

Did you consult with archaeological consultees?

If you are doing any kind of removal (such as boreholes or sediment sampling) or beach management, you must consult with the Royal Commission on the Ancient and Historical Monuments of Wales (RCAHMW) and your local archaeological trust (opens in a new tab).

Yes

Upload your correspondence with the Royal Commission on the Ancient and Historical Monuments of Wales

We need to see that the RCAHMW are satisfied that your work will not have a negative impact on any archaeological features

- File: Introductory correspondence with RCAHMW.pdf - [Download](#)

Upload your correspondence with your local archaeological trust

We need to see that the local archaeological trust is satisfied that your work will not have a negative impact on any archaeological features

- File: Introductory correspondence with HENEB.pdf - [Download](#)

Do you want to upload correspondence with other consultees?

Check the list of possible consultees (opens in a new tab)

Select

No

Does the applicant have statutory powers to consent any aspect of the work?

Such as coast protection authority, dredging powers, statutory undertakers

No

Do you want to claim public register confidentiality?

We normally put all the information in your application on a public register, unless we approve of your reasons for withholding all or part of it

No

Paying for your application

Your licence application for a band 1 activity costs £600.

You need to pay as soon as you have submitted your application. We will return any applications we receive without payment.

How will you pay for your application?

Bank transfer

Create a payment reference

Make a note of your reference as you will need to use it when you pay.

Your reference must:

begin with 'PRCAPP' be followed by the first five letters of the applicant name end with any three digits

PRCAPPLBCCS001

How we collect your personal data

We will process the information provided by you in line with the data protection legislation.

For more information on how we manage, store and use your data, check our privacy notice (opens in a new tab).

I have read and understood this information

Declaration

The person who completes this form should be the one who signs it.

This person must have the authority to sign the form on behalf of the holder. They could be a director or a company secretary.

It is an offence under the Marine and Coastal Access Act 2009, under which this application is made, to fail to disclose information or to provide false or misleading information. This could invalidate any licence granted.

I declare that to the best of my knowledge and belief that the information given in this application form and supporting documentation is true.

Full name Stefano Rovelli
Position in company Managing Director Liverpool Bay CCS Limited
