Proposal summary

Please provide an outline of your proposal, including any sketches.

As a guide, you should include: a description of the activities which (will) take place at your site, the means of abstraction/impoundment proposed, if the proposal is related to another licence or permit (i.e. an Environmental Permit to Discharge Water) and details of any survey work undertaken. For changes to existing licences, summarise the changes proposed. Sketches or photographs that will aid our understanding of your proposal can be uploaded below.

Gorsen Hydro was constructed and designed by TGV Hydro Ltd, Crickhowell.

It has been running with no issues until it was inspected by Laura Jones and Sioned Jones 03/07/2024, when it was found that plan provided by TGV did not match actual structure.

Apart from plan no other issues were noted and it has worked within water abstraction over the operating time.

Payment by BACs on a purchase order system, on purchase order number 85622656.

Could a payment request be emailed to me please.
