Date: 29 April 2025

Dear Arty Shaw,

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR **Vercity Holdings Limited to perform Menai Bridge Repainting and Maintenance Works**

LICENCE NUMBER: CML2482

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, which was duly made complete on 09 January 2025, for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **CML2482** and its conditions.

Advisory Note

Marine Licence, **CML2482**, constitutes a statutory consent; therefore, the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **CML2482** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **CML2482** is solely granted for the work to be undertaken at **CML2482**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

Appropriate checks will need to be done prior to the commencement of work to ensure that there are no peregrine falcons, or similar, nesting birds present on the bridge.

The Menai Suspension Bridge is a Grade I listed building and as such, listed building consent may be required before commencing works. Whilst the building is listed on both Ynys Mon and Gwynedd, there is an agreement between the neighbouring authorities that Gwynedd administer listed building consent applications in relation to the Suspension Bridge, so they will need to be contacted.

Whilst works are being undertaken on the bridge, Anglesey County Council have suggested the installation of a peregrine falcon box however, this would require listed building consent. As above, please ensure Gwynedd Council are consulted regarding this.

As the site is within port limits, approval/agreement of the responsible local navigation authority or the Harbour Authority/Commissioners/Council should be sought. They may wish to issue local warnings to alert those navigating in the vicinity to the presence of the works, as deemed necessary.

As part of your Notice to Mariners, it is advised that you inform local sailing clubs and training centres, in particular Plas Menai who operate RYA yacht training programmes that run through the Swellies.

As part of your licence, you are required to submit a Lighting Management Plan (LMP) before commencing construction activities. We advise that Dani Robertson, the Dark Skies Officer for the area, is consulted on this plan. She can be contacted at Dani.Robertson@eryri.llyw.cymru.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.

Rights of appeal

You have the right of appeal to the Welsh Ministers against this decision. The Appeal must be made in accordance with the Marine Licensing (Appeals Against Licensing Decisions) (Wales) Regulations 2011.
