

OPTIONAL
Integral Duty/Standby
Discharge Pumps
With 50mm MDPE
Termination
and failure alarm.
(No gravity outlet)

Above ground 2 x 250w twin blower unit
in housing with failure alarm

** Access cover options are available for installation in vehicular / trafficked areas but CLENVIRO **MUST** be consulted at quotation stage as an alternative manufacturing structural design is required.

*** Alternative inlet inverts can be accommodated at time of order/manufacture. Retro-fit (after delivery of the tank) access extensions in excess of 500mm height will invalidate any structural warranty.
