Dear Sir or Madam,

As part of our college's ongoing development works, we are currently working with JPS Civil Engineers to improve site wide drainage on our Llysfasi site just outside of Ruthin.

JPS have advised that we will amend the discharge consent with Natural Resources Wales.

As Head of Estates and Facilities at the college, I act as a person of appropriate authority within Coleg Cambria to provide consent for the discharge consent to be amended, and an application for this to be made by JPS.

Best wishes,

Alex Evans

On behalf of Yana Williams (CEO of Coleg Cambria)
