Brief description of licence variation that is required.

(Identify licence condition numbers and reference the supporting documents within your current licence which are likely to be affected)

Gwynt y Môr is currently coordinating with Ziton to schedule the removal of the Met Mast. Ziton successfully removed the Lattice Mast in 2024 and plan to carry out Activity 2 Removal of the Monopile in August 2025. The current marine licence (RML2109V1) is set to expire on 30 September 2025 and the works might not be completed by the expiry date. With moving into autumn/winter soon after expiry date, and likely weather delays, Gwynt y Môr request an extension to the licence until 30 September 2026. Activity 2 Removal of the Monopile will be carried out in accordance with the Method Statement, dated 28 July 2021, pursuant to licence condition 3.21.1. There are no other known conditions or dated deadlines within this licence that may be affected by this extension.
