Tell us about any pre-application advice we've given you

Enter any pre-application reference number

Returned Application Number PAN-025329

Tell us if you are applying for a bespoke mobile plant permit

Select

No

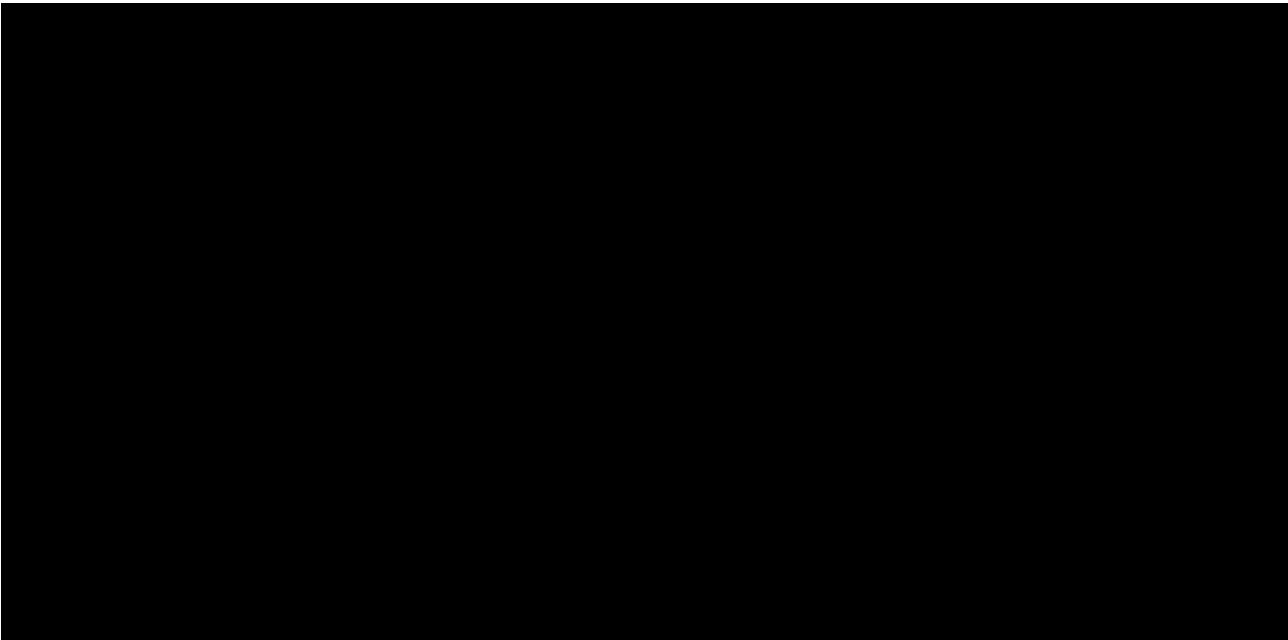

Tell us about the site's landowner

We are asking for this so we can contact the site's landowner to ensure they are:

- fully aware of any permit applications for waste activities on their land
- able to understand their potential liabilities

Is the applicant the landowner for this site?

No

Tell us about the site

If you have more than one facility on the site, you need to give us the national grid reference for each facility.

The site means all the land the facility occupies.

Grid Reference Finder (opens in a new tab)

Site name	Greenacres Skip Hire Ltd
Address	Celtic Link Business Park, Ffordd Trebrython, Dwrbach, Fishguard, Pembrokeshire
Postcode	SA65 9RE
National grid reference for the site (12 digits)	SM 93500 34637
National grid reference for the regulated facility, if different from above	-

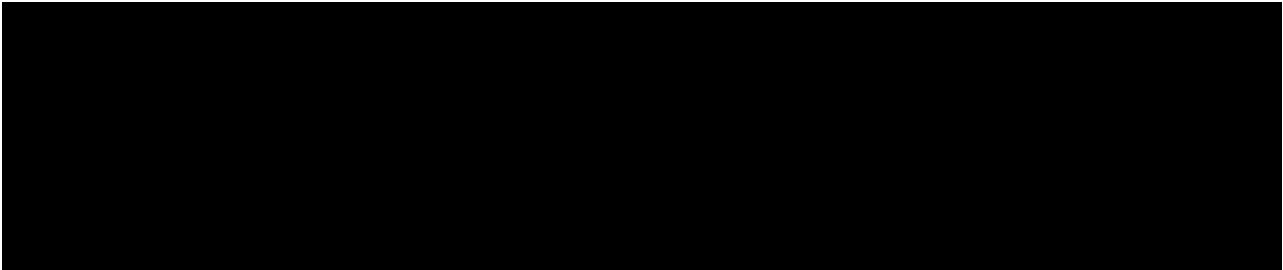

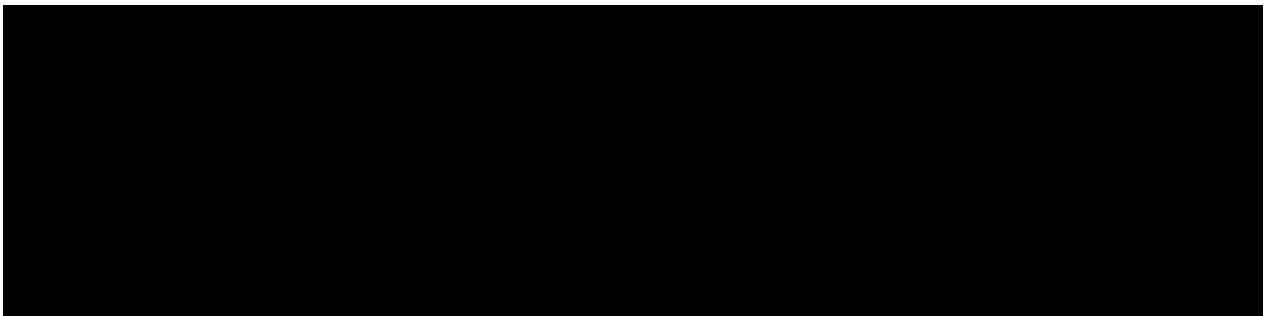

Upload your site plan

Check that your site plan is what we need (opens in a new tab).

We will treat the site boundary as the boundary of the activities unless there is a defined area within this on the site plan which clearly shows where the permitted activities are to take place. This may be important to you if your proposed activities only occupy a small portion of a larger site.

- File: 11109 Site Plan.pdf - [Download](#)

Tell us about the activities you want to do

Waste activity 1	
Waste activity name	Hazardous waste transfer station
Describe the waste activity	Transfer of waste: hazardous; Storage of waste pending recovery or disposal
Disposal and recovery codes	R13, D15
Hazardous waste treatment capacity (if it applies)	No treatment – max. 50 tonnes storage capacity
Non-hazardous waste treatment capacity	0

Waste activity 2	
Waste activity name	Non-hazardous household, commercial and industrial waste transfer station with treatment
Describe the waste activity	Transfer of waste: household commercial and industrial; Treatment of waste by manual and mechanical sorting, separation, bulking up, screening, cutting, pulverising, shredding, chipping, mixing, baling, repackaging, wrapping, crushing and compaction; Storage of waste pending recovery or disposal
Disposal and recovery codes	R3, R4, R5, R12, R13, D9, D14, D15
Hazardous waste treatment capacity (if it applies)	0
Non-hazardous waste treatment capacity	105 tonnes per day

Waste activity 3

Waste activity name	Inert and excavation waste transfer station with treatment
Describe the waste activity	Transfer of waste: nonbiodegradable; Treatment of waste by manual and mechanical sorting, separation, bulking up, crushing, screening, grading and blending; Storage of waste pending recovery
Disposal and recovery codes	R3, R5, R13
Hazardous waste treatment capacity (if it applies)	0
Non-hazardous waste treatment capacity	105 tonnes per day

Tell us about the total storage capacity

By 'total storage capacity', we mean the maximum amount of waste, in tonnes, you are able to store on the site at any one time

Total storage capacity of non-hazardous waste	1,000 tonnes (10,000 tonnes including soils and aggregates)
Total storage capacity of hazardous waste	50 tonnes
Total annual throughput in tonnes per year	65,000 tonnes

Tell us about the type of waste you will accept on site

Give the List of Wastes catalogue code (opens in a new tab) and description e.g. 06 01 02, Hydrochloric acid

Your document must include a description of any wastes ending in 99.

- File: 11109 Waste Types.pdf - [Download](#)

Do you plan to treat batteries?

Select

No

Have you applied to deposit waste for recovery?

Select

No

Give us an environmental risk assessment

Provide an assessment of the risks your proposed regulated facility poses to the environment. The risk assessment must use H1 or an equivalent method (opens in a new tab).

- File: 11109 Environmental Risk Assessment.pdf - [Download](#)

Do you need to tell us about point source emissions to air?

Select

No

Do you need to tell us about point source emissions to water (not sewers)?

Select

Yes

Point source emissions to water (not sewers)

Point source emissions to water (not sewers)

Emission point reference and location 1	D1 (Discharge to surface watercourse at grid reference SM 93447 34592)
Source	Discharge of integrated site drainage (process effluent): Clean, rainfall dependent run-off from external areas of the site used in connection with the storage and treatment of waste
Parameter	Visible oil and grease shall be present in the discharge
Amount	0
Unit	N/A

Do you need to tell us about point source emissions to sewers, effluent treatment plants or other transfers off-site?

Select

No

Do you need to tell us about point source emissions to land?

Select

No

Give us a site plan that shows emission points

If you have told us there will be emissions, you will need to give us a site plan.

Give a unique reference for each emission point and a description of the location, including the site plan reference that shows the emission point.

- File: 11109 Site Plan.pdf - [Download](#)

Tell us about your technical or other relevant standard

List the relevant technical guidance notes (opens in a new tab) or other relevant standard you are planning to use.

Your documents should summarise the main measures you use to control the issues identified in the H1 assessment.

How to comply with your environmental permit, NRW Version 8, October 2014

Sector Guidance Note IPPC S5.06: Guidance for the recovery and disposal of hazardous and non-hazardous waste, Issue 5, May 2013

Non-hazardous and inert waste: appropriate measures for permitted facilities, Environment Agency, August 2023

Guidance Note 16: Fire Prevention & Mitigation Plan Guidance –Waste Management, Version 2.0, August 2017

H1 Environmental risk assessment, H3 Noise, H4 Odour, H5 Site condition report guidance management system templates

-
-
-

Did the technical guidance note or H1 assessment shown that emission of substances not controlled by emission limits are an important issue?

Select

Yes

Did the technical guidance note or H1 assessment show that odours are an important issue?

Select
Yes

Upload your odour management plan

Your odour management plan
<ul style="list-style-type: none">File: 11109 Odour Management Plan.pdf - Download

Did your technical guidance note or H1 assessment show that noise or vibration are important issues?

Select
Yes

Upload your noise impact assessment and/or vibration management plan

Upload your plan(s)
<ul style="list-style-type: none">File: 11109 Noise Assessment and Noise Management Plan.pdf - Download

If you think that noise is unlikely to be a problem

If you think that noise is unlikely to be a problem from your activities, briefly describe why
N/A

Tell us about your emissions monitoring measures

Upload your description of the measures you use to monitor emissions. Refer to each emission point and describe any environmental monitoring.

Include: how often you use these measures the methods you use the procedures you followed to assess the measures

- File: 11109 Monitoring.pdf - [Download](#)

Give information for clinical waste

Does your activity involve clinical waste?

No

Does your activity involve hazardous waste recovery and disposal?

Select

Yes

Questions for the hazardous waste recovery and disposal sector

Do you have pre-acceptance procedures that are in line with the measures in section 2.1.1 of Sector Guidance Note 5.06 - GOV.UK (opens in a new tab) which are used to assess a waste enquiry before it is accepted at the facility?

Yes

If 'Yes' provide your procedure reference. You do not need to upload a copy of your procedure
PR11 - Waste Acceptance Procedure

Upload your pre-acceptance procedures

- File: 11109 Pre-Acceptance Procedures.pdf - [Download](#)

Do you have waste acceptance procedures in place that are fully in line with the measures in sections 2.1.2 of SGN 5.06? These are used to cover issues such as loads arriving and being inspected, sampling waste, rejecting waste and keeping records to track waste.

Yes

If 'Yes' provide the document reference

PR11 - Waste Acceptance Procedure

Upload your waste acceptance procedures

- File: 11109 Waste Acceptance Procedure.pdf - [Download](#)

Do you have waste storage procedures and infrastructure in place that are in line with the measures set out in section 2.1.3 of SGN 5.06?

Yes

If 'Yes' provide the document reference

11109 EMS Plan section 8.6.1

Upload your waste storage procedures

- File: 11109 Storage Procedures and Infrastructure.pdf - [Download](#)

Provide a layout of where the facility is, the infrastructure in place (including the areas and structures for separately storing types of waste which may be dangerous to store together) and capacity of waste storage areas and structures

- File: 11109 Facility Layout, Infrastructure and Storage.pdf - [Download](#)

Give a summary of the treatment activities carried out on the facility. This should include the general principles in section 2.1.4 SGN 5.06 and the specific principles in sections 2.1.5 to 2.1.15 of SGN 5.06

- File: 11109 Summary of treatment activities.pdf - [Download](#)

Upload layout plans giving details of where each treatment plant is based, the main items at each plant and process flow diagrams for the treatment plan

- File: 11109 Treatment Activity Locations and Flowchart.pdf - [Download](#)

Does your activity involve recovery to land for agricultural benefit of compost like outputs from treatment of municipal mixed wastes?

Select

No

Does your activity involve inert landfill?

Select
No

Tell us if the waste operation/s could involve releasing any substance into water

Could the waste operation or installation involve releasing any substance into any of the following?
None

Tell us about any relevant offences

<p>You must tell us if a relevant person has been convicted of a relevant offence. A relevant person is you, or anyone connected to the permit holder.</p> <p>Find out about relevant convictions for waste and installations environmental permits - GOV.UK (opens in a new tab)</p> <p>Find out about relevant people in Defra Core Guidance on Environmental Permitting – GOV.UK (opens in a new tab)</p> <p>Has a relevant person been convicted of a relevant offence?</p>
No

Tell us about your technical ability

Do you already hold the relevant, formal qualifications to manage your facility?
Yes

<p>If you have a relevant qualification, upload all original and continuing competence evidence</p> <p>If you've registered with a scheme but not yet completed it, upload evidence that you've registered</p>
<ul style="list-style-type: none">File: 11109 Technical Ability.pdf - Download

Tell us about insolvency or bankruptcy

If you or any relevant person have current or past bankruptcy or insolvency proceedings against you, you'll need to tell us about: any insolvency or bankruptcy proceedings against you or any relevant person. the required set-up costs (including infrastructure), maintenance and clean up costs for the proposed facility against which a credit check may be assessed We may also want to contact a credit reference agency to verify your financial standing. You are giving your consent to this check by completing and submitting the application form.

Do you or any relevant person have current or past bankruptcy or insolvency proceedings against you?

No

Tell us about your management system

What management system will you provide for your regulated facility?

Own management system

Confirm that your management system meet the conditions set out in the guidance.

Yes

How we collect your personal data

I have read and understood this information

Yes

Freedom of Information

I have read and understood this information

Yes

Do you want to make a confidentiality claim?

You can ask for information to be made confidential by enclosing a letter with your application giving your reasons.

If we agree with your request, we will tell you and not include the information in the public register.

If we do not agree with your request, we will let you know how to appeal against our decision, or you can withdraw your application.

Do you want to make a confidentiality claim?

No

National security

Do you want to attach your letter to Welsh Ministers?

No

Sign the declaration

I declare that the information in this application is true to the best of my knowledge and belief. I understand that this application may be refused or approval withdrawn if I give false or incomplete information.

I understand that if I knowingly or recklessly make a false or misleading statement:

- I may be prosecuted; and
- if convicted, I may have to pay a fine and/or go to prison

By signing below, you are confirming that you understand and agree with the declaration above

Full name Andrew Nicholas

On behalf of (if relevant) Greenacres Skip Hire Ltd

Today's date 09/06/2025

Do you need to upload additional declarations?

No

Tell us how you will pay

Select

Bank transfer

Create a payment reference

You will need to give us this reference when you pay for your permit application.

Start your reference with 'EPR' followed by the first nine letters of your organisation name then a four-digit number.

For a company named Joe Bloggs Ltd, the reference number might be:

EPRJOEBLOGGS0001

Enter your reference

EPRGREENACRE0001

Enter the total payment

Check our charges for waste permit applications.

£22,621.80

If the payment is made up of several parts, list them. For example:

£xxxx permit base charge
£xxxx location assessment

Base charges

£10,312.00 New bespoke waste permit

£4,124.80 Additional activities (2 x 20% of base charge each)

Charges for reviewing plans and assessments

£316.00 Site of Special Scientific Interest (SSSI) assessment

£2,498.00 Noise impact assessment and noise management plan

£887.00 Dust and emissions management plan (DEMP)

£1,668.00 Odour management plan

£2,414.00 Fire prevention and mitigation plan (FPMP)

£402.00 Integral discharge assessment

Is there anything else you want to tell us?

Upload your extra information.

You can now add up to 10 documents of no more than 50MB each.
