#### NOTES TO APPLICANT:

- 1 If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Ministers under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice for Householder or Minor Commercial Developments or within 6 months of the date of this notice for all other appeals.

Appeals must be made using a form which you can get from the Planning and Environment Decisions Wales, 2nd Floor West, Crown Buildings,

Cathays Park, Cardiff, CF10 3NQ, or online at <https://www.gov.wales/planning-appeal-form>,

The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

PEDW need not consider an appeal if it seems to them that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the PEDW do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.
