Hi Beth,

Happy New year, hope you had a great festive break!

As part of our remit, TCE must consult with relevant authorities, including PCNPA, when considering any lease or licence application. Under the National Parks and Countryside Access Act, PCNPA has a duty to protect their local area. As the local authority, PCNPA are requesting the SLVIA, and TCE are supporting their request as part of our due diligence.

Hope this helps clear things up.

Best,
Flo

Subject: PCNPA SLVIA Request

Hi all,

Hope you are well!

Just a quick one to confirm some details from Michel's recent email.

In the 4th paragraph it states that The Authority (meaning the PCNPA) is a statutory consultee for seabed license applications (provided by The Crown Estate), and that the determining authority (meaning yourselves in this case) may require the applicant (meaning us) to provide a SLVIA.

As we already know, the Parks have been the ones previously to request a full SLVIA from us, and so it would be good to confirm whether this request is coming from/backed up by The Crown Estate also?

Looking forward to catching up soon and chatting in further detail,

Thank you,
