We, the Environment Agency, will process the information you provide so that we can:

- deal with your application;
- make sure you keep to the conditions of the licence, permit or registration;
- process renewals; and
- keep the public registers up to date.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues;
- carry out research and development work on environmental issues;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows). We may pass the information on to our agents or representatives to do these things for us.

5 National security

We would normally put all the information in your application on a public register of environmental information. However, we will not include certain information in the public register if this is in the interests of national security.

Please remember that adding a claim to the application that the information is confidential is not an administrative change, unless you are claiming that the information is confidential for national security reasons.

You can tell the Secretary of State that you believe including the information on a public register would not be in the interests of national security. You must enclose a letter with your application telling us that you have told the Secretary of State and you must still include the information in your application. We will not include the information in the public register unless the Secretary of State decides that it should be included.

Tick the box below if you have written to the Secretary of State or Welsh ministers to claim national security for your application.

I attach a letter stating that I have written to the Secretary of State or Welsh ministers explaining why my information should not be included on the public register for national security reasons
