

Mrs Chrissie Matthews

**Our ref: WPCC14855
Permit reference: EPR/DP333TA
Application reference: PAN-027129**

Date: 7th October 2024

Dear Mrs Matthews

Acknowledging your application

Operator: RWE Generation UK PLC

Facility: Pembroke Power Station, West Pennar, Pembroke, Pembrokeshire, SA71 5SS

Thank you for your application received 7th October 2024.

The Regulated Industry Permitting team has received a high volume of permit applications in recent months which has negatively affected our ability to process applications in accordance with our published service level standards. There will be delays before your application can be assessed for completeness and duly made. The current estimate is approximately 6 to 12 months.

We are implementing measures to resolve this issue as quickly as possible. Thank you for your patience and co-operation whilst we experience these delays.

Please note, our determination process will assess all relevant material relating to your application and a decision cannot be reached until that process is completed. For certain applications we also undertake technical and public consultations. Once we have completed our determination, we will then decide whether we can permit/licence what you have applied for. If we refuse your application, we'll explain why.

Once your application is allocated, we will check if all relevant application forms, supporting documents and fees have been supplied. We will contact you to let you know if anything is missing, or to confirm if we can start technical determination of your application. We will then do everything we can to determine your application(s) within the statutory timescales.

If you should wish to discuss anything in respect of this application, please contact the Permitting Team Leader via her e-mail address Holly.Noble@cyfoethnaturiolcymru.gov.uk.

Yours sincerely

General Data Protection Regulation (GDPR)

The information provided by you will be processed by Natural Resources Wales in line with the GDPRs Data Protection Principles. This will enable us to process your application; to monitor compliance with any permit conditions; to process renewals, and to maintain the relevant public register.

We will process the information you provide in connection with the following:

- Consultation with third parties who are relevant and responsible for responding to consultation requests from NRW to enable us to process your application
- Carrying out statistical analysis, research and development on environmental issues
- Providing public register information for enquiries
- Preventing and investigating possible breaches of environmental law and taking any resulting action
- Responding to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004

If you have any further queries or concerns, please contact dataprotection@naturalresourceswales.gov.uk. For further information on the processing of your personal details please see our [Privacy Notice on our website](#).
