CF46 6LY

Dŵr Cymru Cyfyngedig has made applications to vary the Dry Weather Flow limits for the discharges listed in the attached Schedule.

The Environment Agency, exercising its powers under paragraph 10 of Schedule 10 to the Water Resources Act 1991, hereby varies the discharge consent conditions for the discharge consents listed in the attached Schedule by replacing the numeric Dry Weather Flow limits specified in column 3 with the Dry Weather Flow limits specified in column 4.

Subject to the provisions of paragraphs 7 and 8 of Schedule 10 to the Water Resources Act 1991 (as amended), no notice shall be served by the Environment Agency altering the effect of this variation without the agreement of the Consent Holder during a period of 4 years from the date this variation is issued.

This variation is issued and takes effect on the 31st day of March 2010

Signed
