Condition 3.19.1 of licence no RML2527

Please provide a description of your request e.g. Construction Environment Management Plan submitted for approval prior to commencement of works/ submission of annual monitoring report for approval

WSI Report. As the WSI was requested as part of the licence consultation with Heneb – we have contacted Heneb directly and have gained prior approval of the WSI, as noted in the report. I trust that the approval can also be confirmed directly through Heneb should you require. We ask that this reduces the 6 week approval period noted in the licence condition, as this would impact the programme of works.
