How we collect your personal data

We will process the information provided by you in line with the Data Protection legislation.

Some of the information contained in the application may be disclosable to third parties under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004.

For more information on how we manage, store and use your data, see our Privacy Notice (opens in new tab).

I have read and understood this information

Freedom of Information

Under the Freedom of Information Act 2000, anybody may request information from a public authority.

The Act grants two statutory rights: to be told if the public authority holds that information; and if so, to have that information communicated to you.

How to request information under the Freedom of Information Act (opens in new tab).
