Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

At this time, we do not intend to take any further action.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

Thank you for your co-operation during the visit.

The site was visited after some light overnight rain, in what was otherwise a dry period and therefore low flows.

It was noted that there was a fair bit of ivy growing into the storm tank. It would be wise for this to be removed before it affected the tank integrity and operation.
