Gwenffrwd and Whitworth B treatment system

Permit number BP0272501

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

The status log of a permit sets out the permitting history, including any changes to the permit reference number. It is not backdated before 6 April 2010 and for purposes of administrative consistency across EPR regimes, no version 001 has been issued for this permit.

Status log of the permit		
Description	Date	Comments
