Yes

List the condition(s) of your marine licence

List the condition(s) of your marine licence that you are looking to discharge, including any monitoring reports. Please include the condition number and condition text.

Condition 3.19.1 The Licence Holder must submit photographic evidence, length measurements, mudline measurements and structural drawings of the removed structure within 48 hours of the works being concluded for approval by the Licensing Authority.

Please provide a description of your request e.g. Construction Environment Management Plan submitted for approval prior to commencement of works/ submission of annual monitoring report for approval

Preliminary as-left report providing photographic evidence, length measurements, mudline measurements and structural drawings.
Details relating to arrival/demobilisation and post removal survey are still pending and will be included in the final report. However, to ensure compliance with the licence condition 3.19.1 the preliminary report is being submitted at this stage.

List all supporting information submitted for this request
