Dear Sir/Madam

WATER RESOURCES ACT 1991
APPLICATION FOR CONSENT TO DISCHARGE AT NANT-Y-CAWS, CARMARTHEN
APPLICATION NO. BP0266401

Further to your application the Agency has decided that consent should be given subject to conditions. I enclose the Agency's Formal consent to discharge trade effluent from Water Treatment Sedimentation Lagoon, Nant-Y-Caws Landfill Site Phase II, Carmarthen.

Under the present scheme of charging for discharge to controlled waters an annual charge will be made for all consents to discharge, except where the discharge is of sewage effluent of five cubic metres or less per day. The charge is based on information derived from the conditions attached to the consent of discharge, as outlined in the enclosed leaflet.

If you consider that the conditions imposed by the consent are unreasonable you have the right of appeal to the Secretary of State for Wales at the Welsh Office, Cathays Park, Cardiff, CF2 3NQ.

Notice of an appeal must be given in writing within three months of this notification and must be accompanied by a statement of the grounds of appeal.

The grant of the consent does not alter the need to obtain any other consents or approvals which might be required in connection with your proposal under other legislation.

Please take careful note that if the holder of the consent changes, you should inform the Agency IN WRITING as soon as possible of the name of the new holder (a form is attached for this purpose). This is to ensure that the rights and charges associated with the Consent are transferred to the new holder.

Yours faithfully
