OFFENCES

It is an offence under the Water Resources Act 1963:-

- to fail to comply with the provisions of a licence - penalty, a fine (not exceeding £100 in the case of summary conviction) (Section 49);
- to construct or extend any well, borehole or other work, whereby water may be abstracted from underground strata, or install or modify any machinery or apparatus whereby additional quantities of water may be abstracted from underground strata, unless the abstraction of the water, or additional quantities of water, is authorised by licence under the Act and the well, borehole or other work as constructed or extended, or the machinery or apparatus as installed or modified, complies with the requirements of the licence - penalty as in (1) (Sections 23(2) and 49);
- to interfere with a measuring device required by a licence to be installed and maintained, so as to prevent it from measuring correctly - penalty, imprisonment, or a fine or both (Section 115).

IMPORTANT NOTICE TO A SUCCESSOR TO THIS LICENCE

If you have become the holder of this licence, in accordance with Section 32(1), or regulations made under Section 32(3), of the Water Resources Act 1963, by succeeding to the previous licence holder's occupation of lands specified in the licence as land on which water abstracted in pursuance of the licence is to be used, you should note that, by virtue of Section 32(2) of the above Act (or corresponding provisions in the regulations under Section 32(3)), you will cease to be the holder of the licence at the end of a period of one month from the date on which you became the occupier of the land in question unless before the end of that period you have given the Water Authority notice of the change in the occupation of the land.
