Subject: Marine Band 1 application - Bangor University

Dear sir/madam,

My name is Dr Mike Roberts, and I am contacting you with respect to obtaining the renewal of a Marine Licence (Band 1) with Natural Resources Wales for 2025/26 and to check that our proposed activities for the forthcoming year will not cause any undue navigational risk to sea traffic. I have recently taken over this role from my colleague Ian Pritchard who was in touch with yourselves (Catherine Bransby) last year (please refer to the correspondence below).

I can confirm that the licence and activities we propose to undertake this year are identical to those stated in our 2024/25 application.

Would it therefore be possible to obtain a similar response (e-mail/letter) pursuant to our 2025/26 application alleviating any concerns that the Trinity House might have so that this can be included in our Band 1 application?

I'm more than happy to answer any further questions/queries relating to this matter if necessary.

Kindest Regards,

Mike Roberts
