

# Apply to vary a marine licence

## Variation request details

Marine licence number
ORML 1938
Licence holder name
Menter Môn Morlais Limited
Variation type
Complex change
Brief description of licence variation that is required.  (Identify licence condition numbers and reference the supporting documents within your current licence which are likely to be affected)
<p>This is an application for a variation to Morlais Demonstration Zone (MDZ) Marine Licence ORML 1938 ("Marine Licence") to amend specific approved parameters to allow Surface Emergent Seabed Mounted (SESM) device deployment within the MDZ.</p> <p>In the Scoping Opinion, NRW confirmed that an Environmental Impact Assessment, carried out in accordance with the Marine Works (Environmental Impact Assessment) Regulations 2007 (as amended), would be required to be provided with this application due to the scale of the project and the changes being beyond the Original EIA. The Scoping Opinion confirmed that a number of matters could however be scoped out the process, and that the approach of providing an ES Addendum to highlight changes in parameters in an update to Chapter 4 Project Description and an addendum to Chapter 24 Seascape, Landscape and Visual Impact Assessment (SLVIA) would satisfy this EIA requirement and support the determination of this application.</p> <p>As such, the documents within the current licence which are affected and which accompany this application areas follows:</p> <p>MOR-RHDHV-DOC-0004 Updated ES Vol I Chapter 4: Project Description (tracked) MOR-RHDHV-DOC-0004 (tracked) Updated ES Vol I Chapter 4: Project Description (clean) MOR-RHDHV-DOC-0147 Updated ES Vol II Chapter 4: Project Description Figure 4-5 Restricted Area Plan (tracked) MOR-RHDHV-DOC-0147(tracked) Updated ES Vol II Chapter 4: Project Description Figure 4-5 (clean) MOR-SLR-DOC-0004 Addendum to ES Vol I Chapter 24: SLVIA MOR-SLR-DOC-0005 Addendum to ES Vol II Chapter 24: SLVIA Appendix A MOR-SLR-DOC-0006 Addendum to ES Vol II Chapter 24: SLVIA Appendix B MOR-RHDHV-DOC-0127b Updated PDE Matrix Spreadsheet MOR-MM-DOC-0133 Scoping response signposting table MOR-MM-DOC-0134 ORML 1938 Variation_Cover letter MCRP-MM-DOC-0060 Scoping Report MOR-NRW-DOC-0001 NRW Scoping Opinion</p> <p>Please see the attached cover letter for further detail.</p>

**Do you want to claim public register confidentiality?**

Under The Marine Licensing (Register of Licensing Information)(Wales) Regulations 2011 and the Environmental Impact Assessment Directive (Directive 85/337/EEC – as amended), all information contained within or provided in support of this application will be placed on the Public Register unless NRW approve of the applicant's reasons for withholding all or part.

Is there any information that you consider should not be included on the Public Register on the grounds that its disclosure would be contrary to the interest of National Security, or would prejudice to an unreasonable degree you, or some other person's commercial interest of those of a third party? \*

No

## Declaration

If you would like a copy of your form, please provide your preferred email address below:

sarah@mentermon.com

I declare that the information in this application is true to the best of my knowledge. I understand that this application may be refused, or approval withdrawn if I give false or incomplete information.

Please type your name and date this form to confirm that the information you have provided is correct.

**WARNING:** It is an offence under the Marine and Coastal Access Act 2009, under which this application is made, to fail to disclose information or to provide false or misleading information. This could invalidate any licence granted.
