Proposal summary

Please provide an outline of your proposal, including any sketches.
As a guide, you should include: a description of the activities which (will) take place at your site, the means of abstraction/impoundment proposed, if the proposal is related to another licence or permit (i.e. an Environmental Permit to Discharge Water) and details of any survey work undertaken. For changes to existing licences, summarise the changes proposed. Sketches or photographs that will aid our understanding of your proposal can be uploaded below.

This is an operational hydropower scheme. There are no technical changes proposed. Only the licence holder's name is to be changed. NRW have insisted on a new licence application following the death of the licence holder.
