"Cooling off" period

Under the Distance Selling Regulations, you may cancel a distance contract to purchase a product or products from us at any time within 14 working days after the day you received the relevant products or products (subject to the limitations set out below).

In order to cancel a contract in this way, you must give to us written notice of cancellation.

If you cancel a contract on this basis, you must promptly return the products to us, in the same condition in which you received them. If you cancel a contract on this basis, you will be refunded in full (including the cost of sending the products to you). However, you will be responsible for paying the cost of returning the product to us and we may either reject the car if it has been driven more than 200 miles or deduct from the purchase price of the car specified in your order, the following:

1. £1 for every mile recorded in addition to the car's mileage on delivery to you plus 200 miles; and
2. the reasonable cost of repair to fix any damage caused to the car whilst in your possession.

If you cancel a contract on this basis and you do not return the products to us, we may recover the products and charge you for the costs we incur in doing so. Similarly, if you return the products at our expense, we may pass that expense on to you.

I, the undersigned, confirm I have read this information, fully understand it and accept these terms.
