

Protection of habitats and ecosystems

Does the land onto which the specified waste is to be spread as part of this deployment fall within scope of the Environmental Impact Assessment (Agriculture) (Wales) Regulations 2017 as semi-natural (habitat)?

See guidance for further information.

- Yes - Please provide the screening opinion provided by Welsh Government
- No - You are required to provide details of the assessment that supports this conclusion and supply evidence to support this.

The fields are all intensively farmed and receiving required nutrient applications via fertiliser / organic manures, with 1 cut taken for silage + intensive sheep grazing for the rest of the year, or intensively grazed all year. Please find attached photos of fields + grass sward within fields.
