Dear Mr Webb

Issue of administrative variation

Permit reference: PAN-030900

Operator: KLA Corporation UK Limited

Facility: KLA Corporation UK Limited, Ringland Way, Newport, NP18 2TA

I enclose a notice showing the changes to your permit. Keep this in a safe place with your other permit records.

This variation acknowledges that you have changed company name. The permit has not been transferred to a new operator and remains as the same legal entity. Where any existing documentation from Natural Resources Wales (such as the permit, any variation notices or other regulatory notices and communications) still refers to SPTS Technologies Ltd until such time as it is updated, it should be read as if it states KLA Corporation UK Limited as all responsibilities for the regulated facility remain with you as the operator.

If you don't have internet access, or have any questions about this permit please phone our Customer Services Centre on **0300 065 3000**. They will put you in touch with a local area officer.

Yours sincerely

**Sherreen Thomas
Permit Support Officer**
