Dear Mr. Skitt,

Frongoch ELV Site, Trisant, Ceredigion, SY23 4RL (Permit Ref: EPR-BB3296CU)

Please find enclosed a copy of the Compliance Assessment Report (CAR) following the compliance assessment undertaken by myself on 01 October 2025. I have re-issued this compliance report as I found that I had incorrectly scored a breach of permit. To correct this mistake and to ensure that it does not count against your site's compliance rating at the end of the year, I have to re-issue the report so that it appears on our public register.

Please read the report and check whether any actions are required. If you have actions, please let us know when they are complete. You must notify us immediately if you have any problems meeting the deadline(s).

This report will be placed on our Online Public Register 20 working days after the date of this letter. If you consider any of the information within the report to be commercially confidential and you do not think that it should be placed on our public register, you must contact us in writing, via email or post, within 15 working days of the date of this letter. When contacting us, you must specify which information you claim to be commercially confidential and explain why this information should not be placed on our public register. We will assess your claim and respond to you in writing within 20 working days of receiving it.

Yours sincerely
