The Project are not submitting any ML Condition documents or monitoring reports for discharge on this occasion, see attached word document.

Please provide a description of your request e.g. Construction Environment Management Plan submitted for approval prior to commencement of works/ submission of annual monitoring report for approval

Menter Mon Morlais are seeking to install construction duct into a Horizontal Directional Drill 2 (HDD2) which was drilled in 2022, by pulling the construction duct from offshore to the onshore drilling launch point.
It is anticipated that this works will be undertaken in 2026, and would take 4-5 days to complete.
If the works are planned for 20th March-31st July i.e. the chough breeding season, Menter Môn request NRW to permit dispensation for the works to go ahead at the HDD2 location in Abraham's Bosom.
